#### Exclusive

| Course ID | Name                                                                          | Course Details            |
|-----------|-------------------------------------------------------------------------------|---------------------------|
| ACI-ELITE | ACI-ELITE Series (Firefly Exclusive!)                                         | <a href="#">VIEW MORE</a> |
| AI-NE     | AI for Network Engineers (Firefly Exclusive!)                                 | <a href="#">VIEW MORE</a> |
| HF-ELITE  | Cisco Nexus Hyperfabric Elite (Firefly Exclusive!)                            | <a href="#">VIEW MORE</a> |
| CCNA Mod  | MODULAR - Implementing and Administering Cisco Solutions (Firefly Exclusive!) | <a href="#">VIEW MORE</a> |

#### Associate

| Course ID | Name                                           | Course Details            |
|-----------|------------------------------------------------|---------------------------|
| CCNA      | Implementing and Administering Cisco Solutions | <a href="#">VIEW MORE</a> |
| CCNAAUTO  | Automating Networks Using Cisco Platforms      | <a href="#">VIEW MORE</a> |

#### Digital

| Course ID               | Name                | Course Details            |
|-------------------------|---------------------|---------------------------|
| Cisco U. All Access     | CISCO U. ALL ACCESS | <a href="#">VIEW MORE</a> |
| Cisco U. All Essentials | CISCO U. ESSENTIALS | <a href="#">VIEW MORE</a> |

#### Security

| Course ID | Name                                                                           | Course Details            |
|-----------|--------------------------------------------------------------------------------|---------------------------|
| SISE      | Implementing and Configuring Cisco Identity Services Engine                    | <a href="#">VIEW MORE</a> |
| SFWIPF    | Fundamentals of Cisco Firewall Threat Defense and Intrusion Prevention         | <a href="#">VIEW MORE</a> |
| SFWIPA    | Advanced Techniques for Cisco Firewall Threat Defense and Intrusion Prevention | <a href="#">VIEW MORE</a> |
| SCAZT     | Designing and Implementing Secure Cloud Access for Users and Endpoints         | <a href="#">VIEW MORE</a> |
| SCOR      | Implementing and Operating Cisco Security Core Technologies                    | <a href="#">VIEW MORE</a> |
| SDWSCS    | Implementing Cisco SD-WAN Security and Cloud Solutions                         | <a href="#">VIEW MORE</a> |
| SESA      | Securing Email with Cisco Email Security Appliance                             | <a href="#">VIEW MORE</a> |
| SVPN      | Implementing Secure Solutions with Virtual Private Networks                    | <a href="#">VIEW MORE</a> |
| SWSA      | Securing the Web with Cisco Web Security Appliance                             | <a href="#">VIEW MORE</a> |
|           |                                                                                |                           |
|           |                                                                                |                           |

#### Enterprise

| Course ID | Name                                                                  | Course Details            |
|-----------|-----------------------------------------------------------------------|---------------------------|
| ENCOR     | Implementing and Operating Cisco Enterprise Network Core Technologies | <a href="#">VIEW MORE</a> |
| ECMS      | The Engineering Cisco Meraki Solutions                                | <a href="#">VIEW MORE</a> |
| BGP       | Configuring BGP on Cisco Routers                                      | <a href="#">VIEW MORE</a> |
| CCFND     | Cisco Catalyst Center Foundations                                     | <a href="#">VIEW MORE</a> |
| ENARSI    | Implementing Cisco Enterprise Advanced Routing and Services           | <a href="#">VIEW MORE</a> |
| ENC9K     | Implementing Cisco Catalyst 9000 Switches                             | <a href="#">VIEW MORE</a> |
| ENCC      | Designing and Implementing Cloud Connectivity                         | <a href="#">VIEW MORE</a> |
| ENSDWI    | Implementing Cisco SD-WAN Solutions                                   | <a href="#">VIEW MORE</a> |
| ENSLD     | Designing Cisco Enterprise Networks                                   | <a href="#">VIEW MORE</a> |
| ENTEIT    | Implementing and Troubleshooting Networks Using Cisco ThousandEyes    | <a href="#">VIEW MORE</a> |
| MPLS      | Implementing Cisco MPLS                                               | <a href="#">VIEW MORE</a> |
| IBNTRN    | Transforming to a Cisco Intent-Based Network                          | <a href="#">VIEW MORE</a> |

#### Data Center

| Course ID | Name                                                                    | Course Details            |
|-----------|-------------------------------------------------------------------------|---------------------------|
| DCNDE     | Cisco Data Center Nexus Dashboard Essentials                            | <a href="#">VIEW MORE</a> |
| DCNDA     | Cisco Nexus Dashboard Advanced                                          | <a href="#">VIEW MORE</a> |
| DCACI     | Implementing Cisco Application Centric Infrastructure                   | <a href="#">VIEW MORE</a> |
| DCACIA    | Implementing Cisco Application Centric Infrastructure-Advanced          | <a href="#">VIEW MORE</a> |
| DCACIO    | Cisco Application Centric Infrastructure Operations and Troubleshooting | <a href="#">VIEW MORE</a> |
| DCAIE     | AI Solutions on Cisco Infrastructure Essentials                         | <a href="#">VIEW MORE</a> |
| DCCOR     | Implementing and Operating Cisco Data Center Core Technologies          | <a href="#">VIEW MORE</a> |
| DCEIS     | Cisco Intersight Essentials                                             | <a href="#">VIEW MORE</a> |
| DCFNDU    | Understanding Cisco Data Center Foundations                             | <a href="#">VIEW MORE</a> |
| DCID      | Designing Cisco Data Center Infrastructure                              | <a href="#">VIEW MORE</a> |
| DCIT      | Troubleshooting Cisco Data Center Infrastructure                        | <a href="#">VIEW MORE</a> |
| DCCUCS    | Configuring Cisco Unified Computing System                              | <a href="#">VIEW MORE</a> |
| DCNX      | Implementing Cisco NX-OS Switches and Fabrics in the Data Center        | <a href="#">VIEW MORE</a> |

#### Collab

| Course ID | Name                                                             | Course Details            |
|-----------|------------------------------------------------------------------|---------------------------|
| CLACCM    | Implementing Cisco Advanced Call Control and Mobility Services   | <a href="#">VIEW MORE</a> |
| CLCEI     | Implementing Cisco Collaboration Cloud and Edge Solutions        | <a href="#">VIEW MORE</a> |
| CLCNF     | Implementing Cisco Collaboration Conferencing                    | <a href="#">VIEW MORE</a> |
| CLCOR     | Implementing and Operating Cisco Collaboration Core Technologies | <a href="#">VIEW MORE</a> |
| CLICA     | Implementing Cisco Collaboration Applications                    | <a href="#">VIEW MORE</a> |
| CLWXCALL  | The Essentials of Webex Calling                                  | <a href="#">VIEW MORE</a> |

#### Wireless

| Course ID | Name                                                        | Course Details            |
|-----------|-------------------------------------------------------------|---------------------------|
| ENWLSD    | Designing Cisco Enterprise Wireless Networks                | <a href="#">VIEW MORE</a> |
| ENWLSI    | Implementing Cisco Enterprise Wireless Networks             | <a href="#">VIEW MORE</a> |
| WLFNDU    | Understanding Cisco Wireless Foundations                    | <a href="#">VIEW MORE</a> |
| WLCOR     | Implementing and Operating Cisco Wireless Core Technologies | <a href="#">VIEW MORE</a> |

#### Dev

| Course ID | Name                              | Course Details            |
|-----------|-----------------------------------|---------------------------|
| PRNE      | Programming for Network Engineers | <a href="#">VIEW MORE</a> |

#### Service Provider

| Course ID | Name                                                                           | Course Details            |
|-----------|--------------------------------------------------------------------------------|---------------------------|
| SPCNI     | Designing and Implementing Cisco Service Provider Cloud Network Infrastructure | <a href="#">VIEW MORE</a> |
| SPCOR     | Implementing and Operating Cisco Service Provider Network Core Technologies    | <a href="#">VIEW MORE</a> |
| SPVI      | Implementing Cisco Service Provider VPN Services                               | <a href="#">VIEW MORE</a> |
| SPRI      | Implementing Cisco Service Provider Advanced Routing Solutions                 | <a href="#">VIEW MORE</a> |
